2017 Harvest Market

**Oct. 28, from 9 a.m. - 4 p.m.
Rosemary Beach, FL**

Join holiday shoppers and others just wanting to decorate for the fall season, at the 2017 Harvest Market at Rosemary Beach, FL. Now in its eleventh year, the market has grown to be "the place" for those wanting to get an early jump on Holiday gift buying and decorations and is one of the first fall events in the area, that ushers in the Christmas buying season.

In 2016, more than 60 vendors took part in the in Harvest Market and exhibited and sold hundreds of fall items, holiday gifts and decorations, wooden and metal sculpture, folk art, fine arts and personal care products. We hope to have the same quality in 2017, but with fewer vendors. There will only be 50 vendor spaces sold for the Harvest Market and the event will once again take place on the Eastern Lawn Green.

There will be numerous activities throughout the day including live entertainment, a Kids Halloween Block Party, community-wide trick-or-treating, a scarecrow display competition, a costume competition, and events hosted by various town merchants. It will be a day of cool temps, great art/crafts and Halloween fun!

As always, Hilltop Production Events is mailing this to those who participated in the previous Harvest Market, where each vendor is given the opportunity to get the vest rate. This year, we have once again added the Premium spaces and we are this year for the first time in the markets history, will be having a fee increase.

We hope to see you at all the markets taking place in 2017.
