

# HOME FOR THE "HARLEY" DAYS

**Nov 29 and 30**

**9 a.m. - 4 p.m.**

**Harley-Davidson Event Center  
Panama City Beach, FL**

Join us for another new and exciting market, taking place Nov. 29 and 30, at the iconic Panama City Beach, FL Harley-Davidson events ground.

The "Home for the Harley Days" two-day event will take place in the front parking lot that runs parallel to Hwy. 98. just down the road from the main entrances of Pier Park North and South. This will coincide with their holiday celebration and after Thanksgiving Black Friday sales. The dealership will also be offering demonstrations, live entertainment, a beer and wine garden, Santa's arrival, choirs and bands throughout the two-day event, as well as upbeatable advertisement on billboards, posters, postcards, print and television ads.

There is only room for 30 art/craft vendors and 3 food trucks, and vendors will be selling for the two days and last year without the "Home for the Harley Days," event, the dealership brought in record numbers during the thanksgiving weekend.

The visibility is great and numbers last year of cars going in and out and passing Pier Park, Were estimated at more than 40,000 vehicles on the biggest shopping day of the year. This is why Harley-Davidson and their organizers are wanting a two-day market, due to the heavy traffic on the roads and in the stores during that time.
